

## SENSES WINES 2019 CHARDONNAY SONOMA COAST

---

### VINTAGE

2019 may stand out as one of the more exceptional vintages in recent memory. Cooler temperatures and stable weather for most of the growing season allowed for slow maturation of flavors without any heat events spiking sugar accumulation in the berries. Although 2019 also saw the devastating Kincadee fire in Sonoma County, Pinot noir and most Chardonnays in the county were harvested by then, so the smoke did not affect the grapes. Overall, look for wines with slightly lower alcohol, higher but integrated acids, and a depth of flavor that you would probably have to go back several vintages to find an equal.

### WINE

Where the Russian River has power, this Chardonnay has finesse. The nose is floral and fresh. Overall, it's racier but balanced with honey and a refreshing weight. White nectarine, tangerine peel, and bubblegum flavors jump on the palate. The wine simply glides on the finish with a hanging acidity and leaves you wanting another glass. This bottling feels ready to drink now given its brightness and wonderful integration but we can only imagine how it will evolve.
