

SENSES WINES 2019 PINOT NOIR SONOMA COAST

VINTAGE

2019 may stand out as one of the more exceptional vintages in recent memory. Cooler temperatures and stable weather for most of the growing season allowed for slow maturation of flavors without any heat events spiking sugar accumulation in the berries. Although 2019 also saw the devastating Kincadee fire in Sonoma County, Pinot noir and most Chardonnays in the county were harvested by then, so the smoke did not affect the grapes. Overall, look for wines with slightly lower alcohol, higher but integrated acids, and a depth of flavor that you would probably have to go back several vintages to find an equal.

WINE

Juicy, earthy, and bright - this wine has a lot going on and is drinking great out of the bottle! The Sonoma Coast has a beautiful black tea characteristic to it with baking spice and red cherry fruit on the palate. Fresh leather and hints of tobacco add flare to this exotic, yet approachable blend. I keep revisiting my glass and the more I taste the more I find. Ripe tannins, wonderfully medium-bodied and textured, this wine will continue to evolve for years to come.
