

SENSES WINES 2023 PINOT NOIR 'DUTTON RANCH'

VINEYARD

The inaugural release. The Duttons are a sixth generation farming family that the Senses team is proud to have worked with since founding in 2011. The 'Dutton Ranch' Pinot noir represents the best barrels from the best vineyards farmed by the Duttons, primarily in the western region of Green Valley.

WINE

"Medium ruby-purple in color, the 2023 Dutton Ranch Pinot Noir comes tearing out with expressive notes of pomegranate and cranberry sauce, giving way to hints of wild sage, crushed rocks, and cumin seed. The medium-bodied palate is tight-knit with wonderful tension and fine-grained tannins, finishing long and minerally."
